

LETTER OF INVITATION

Dear Madam / Sir,

We would like to invite you to take part in the celebration of the European Cooperation Day.

The European Cooperation Day, for the sixth time, celebrates the achievements of territorial cooperation throughout Europe. European Territorial Cooperation, known as Interreg, is the EU policy encouraging the EU regions to work together and learn from one another through joint programmes, projects and networks aimed at reducing disparities between regions, reinforcing cohesion and supporting optimal economic development by addressing issues of daily life, such as transport, education, energy, healthcare and environmental protection.

Please join us in celebrating the benefits of cross-border cooperation with the participants from all four partner countries (Bosnia and Herzegovina, Croatia, Montenegro and Serbia) and in building and developing further partnerships for future projects. We will also use this opportunity to present the results from the 1st Call for Proposals and announce our plans for the future, as well as to jointly learn about the traditional cuisine of our Programmes' area. We want to meet so that we can share, discuss and connect with our partners gathering around the table and rediscovering our cultures.

The European Cooperation Day will take place on 7 October 2017 in Šibenik, Fortress Barone, Šibenik-Knin County, Republic of Croatia. Registration will start at 10:30 AM.

Please find enclosed the proposed Agenda.

We are looking forward to welcoming you in Šibenik in October.

Sincerely,

Agency for Regional Development of the Republic of Croatia

Acting Director and Head of Managing Authority
